WHO WE ARE

We are the leading global community of, by and for High-Impact Entrepreneurs — those who dream bigger, scale faster, and pay it forward.
We are driven by the core belief that High Impact entrepreneurs transform economies — not only by virtue of the jobs and wealth they generate, but by the Multiplier Effect they create when mentoring, inspiring, and investing in the next-gen of entrepreneurs.
We create a **Multiplier Effect** — inspiring high-growth entrepreneurs to dream bigger, supporting and investing in them to scale faster, and providing them a platform to pay it forward.
After selecting high-growth founders in emerging and underserved markets around the world, we help them scale faster by connecting them to smart capital, and like-minded innovators who’ve been there and done that.
As an Endeavor Entrepreneur you have access to a global network of 2000+ external volunteers who serve on staff advisory boards and offer one-on-one, on-demand mentorship on strategy and execution throughout the entrepreneurs’ journey — in addition to the mentoring that is available from peers and investor-partners in the network.

And the way entrepreneurs pay for this is, in essence, forward: committing to mentoring, investing in, and inspiring the High Impact entrepreneurs of tomorrow.
We are a non-profit organization trailblazing a path to non-profit self-sustainability. To sustain our long-term operations in a mission-aligned way, we have created Endeavor Catalyst — a rules-based, co-investment fund, set up to invest in the same High-Impact Entrepreneurs that Endeavor supports.

Today, Endeavor Catalyst is among the world’s top early-stage funders of startups-turned $1B+ companies (“Unicorns”) outside of the U.S. and China.
Endeavor Catalyst is one of the most successful early-stage investors in Unicorns outside of the US, China, and India.
We select Endeavor Entrepreneurs by searching the globe, identifying founders with the greatest growth potential, and inviting them to participate in our renowned international selection process.

We support Endeavor Entrepreneurs with our expansive global network, unrivaled peer-to-peer community, and highly-curated services.

We elevate Endeavor Entrepreneurs as aspirational role models and provide avenues for them to mentor and inspire others to reimagine what is possible.

We invest in Endeavor Entrepreneurs through our rules-based fund, Endeavor Catalyst.

We advance the conversation around global entrepreneurship and innovation through original content, leveraging Endeavor's proprietary data set and insights.
Since inception, Endeavor has aspired to become a fully self-sustaining organization driven by the success of the very High-Impact Entrepreneurs we support.
