GO BIG AND GO HOME

ABOUT THE GALA

We're bringing the spirit of 'home' to life in New York City, celebrating our global community of diaspora entrepreneurs who **GO BIG**, driving innovation beyond borders, and **GO HOME**, reinvesting in their local communities and inspiring the next generation. Together, these entrepreneurs create a lasting multiplier effect, holding the key to sustained economic growth in every part of the world.

This year we're breaking away from the Gala's traditional *seated* dinner format and enjoying dinner in a home away from home, designed to encourage more spontaneous connections within our global community of founders, investors, and mentors. Celebrate with us, everything our community achieved together throughout the year in 45+ countries and help raise critical funds to support high-impact entrepreneurs around the world.
