## WHY THIS MATTERS

The Gala is our ultimate celebration of everything we have achieved as a Global Community during this year and it will only be a true celebration if we have 100% representation from all of you. So we invite you not just to join us in promoting the Gala but making it your own and using this opportunity in your own outreach and efforts to enhance your efforts to attract the best entrepreneurs and partners especially from your diasporas in the US as well as your local and regional networks.

## ACTION ITEMS / HOW YOU CAN HELP

We need to get the word out to our supporters in all markets — including but not limited to EEs, Board Members, mentors, panelists, investors and other “friends of Endeavor”. You can help by mentioning and promoting the Gala in your regular communications amongst those in our network and encourage them to attend! [Here](#) is a banner you can add to your email signature. Don't forget to link to [www.endeavor.org/gala](http://www.endeavor.org/gala).

Feel free to share the [Gala Fact Sheet](#). Here is some adaptable text you can add to your personal emails:
